

Founded in 2020, She Groove is a Kansas City-based, all-female trio of seasoned musicians. Their signature style fuses R&B, funk, jazz, blues, yacht rock, pop, and country into a sound that is both versatile and unmistakably their own. Fronted by powerhouse vocalist Leah Hooks, anchored by bassist Elisa Hooks, and ignited by the dynamic guitar work of Gavett Burch, She Groove delivers soulful energy and tight grooves that captivate audiences and leave them wanting more.
